Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

This is in response to amendment after final filed on 10/6/08 in which claims 2-14 are pending. The applicant's arguments and amendments have been fully considered but they are not persuasive enough to place the application in condition for allowance because the combination of McCasllister and Yung does teach the claimed invention . Therefore this case stands rejected as stated in the final office action dated 8/14/08.
